Instructions:

1. Click on File -> Make a copy

Include your IPO Chart with your code in Eclipse IDE: We will discuss and demonstrate this in the computer lab.

IPO CHART

Program name:	[PrimeNumber]	
INPUT	**PROCESS**	**OUTPUT**
Hint: What will the user input?	Hint: What is the program going to do with the input information?	Hint: What will the screen display after user input?
[the user inputs any number]	[The program contains a for loop and the program takes the random number from the user and goes the requirement that the user number needs I then has the number = to computer number raminder if the number don't follow the requirements then label it as false,]	[The program output number as prime number or not.]
